

Ambassador Toolkit

by HBG Consulting - Helping Local Business Communities Grow

Make A Great First Impression With Our Ambassador Toolkit

If you're focused on membership retention and membership growth, you need to deliver a consistent brand message to existing and potential chamber members.

Your ambassadors are responsible for making a great first impression for your chamber. Do they have the tools they need to attract tech-savvy business professionals to your chamber?

Ambassadors Need Tools At Their Fingertips

We've developed an easy way for your ambassadors to access everything they need. Our web-based application fits seamlessly into your existing workflow.

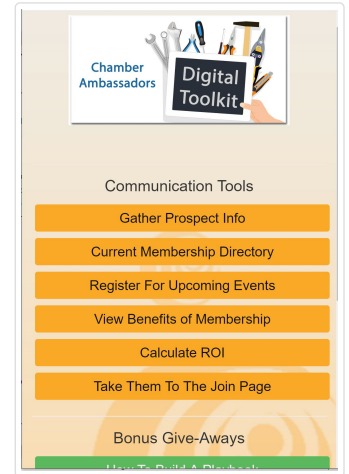

Whether on a desktop, laptop, or mobile device, our toolkit is easily accessible through your chamber's website.

A Custom Application That Fits Within Your Budget

One new member per year more than pays for this.

Here's everything you get:

- We link all the buttons in our app to YOUR ASSETS
- No technical skills needed
- We customize your toolkit to match your brand image
- Works with ALL member management systems
- Accessible through desktop, laptop, and mobile devices
- Designed to equip your ambassadors with everything you want them to have at their fingertips
- Your entire team has access to the toolkit
- Pricing includes UNLIMITED number of users
